Banks County encourages community participation in the governmental process. Consequently the County would ask that all requests be in writing and that the request be made by noon on Friday prior to the Commission meeting on Tuesday. Included with this written request should be any written information and/or documents that are supportive of the specific request. Without this information being available in advance the Commission Board will be unable to make a knowledgeable decision and will delay taking a position on your request. Public comments are limited to 5 minutes with a maximum of 20 minutes on a subject where several persons are part of the same group or organization and only one may be heard. The Chairperson shall enforce these limitations.

Depending on the magnitude of the request, the Commission Board may delay placing the item on the agenda until such a time as proper research can be completed so to support the council taking consideration of the request. The County thanks you in advance for your cooperation in this procedure.

The Commission Board meets the second Tuesday of every month at 6:30 p.m. and the fourth Tuesday of every month at 3:30 p.m.; often the Board will request a work session prior to this meeting. In the event that a work session is scheduled the applicant will need to attend the work session and the Commission meeting. Please inquire as to the date and time of the proposed work session.

**I have read and completed this form and understand the procedure.**
